EDISON SENIOR  
HIGH SCHOOL

East Gary  
Indiana

## *Foreword*

As you leaf through the pages of your 1964 Edisonian, you will discover that the staff has deviated from many of the patterns set in previous years. Through the weeks, we have mused over a great many ideas, both new and old, discarding some but retaining those which represented 1964 at Edison. We tried, in our writing as well as through our pictures, to present Edison as you know it. We could not be satisfied with the old ways just as you, the students, must not be satisfied with the ideas or standards of yesterday.

We hope you will remember the year of 1964 with a fondness for E.H.S., and we have attempted to capture the highlights throughout the year in this, your 1964 Edisonian.

## *Dedication*

With great expectation we, the staff, dedicate this annual, our 1964 Edisonian, to the future years.

It is our purpose to provide a store of pleasant memories to remind the readers of the eventful years spent in Edison Senior High School, as we trust that the future years shall continue to prove eventful years for the students yet to come to Edison and shall provide inspiration and abundant opportunities for the students to achieve their new and admirable goals.

### *Our Superintendent*

Mr. Virgil I. Bailey became the principal of Edison High School in 1933-34, after which he became the first Superintendent of Schools in East Gary in 1935-36; thus, having continued in that capacity during the past twenty-nine years.

We are very grateful to Mr. Bailey for his dedicated devotion as well as unceasing and tireless efforts put forth in steering, guiding, and maintaining the schools of East Gary.

RICHARD BURDETT  
Attendance Officer

JOHN W. PECK  
Speech Therapist

LOIS ANDERSON, Clerk

CONNIE COURTNEY, Secretary

*Our  
Principal  
Claude P.  
Roos*

A never-ending schedule of duties was performed efficiently and faithfully during the entire twelve months of the year by Mr. Roos, who has been Edison's principal for the past seventeen years.

The "explosive" Eagles made their 1963 debut against Edison of Gary on Tolleston's Field. The glow of the Blazers was dulled by the Eagles' spark--Dale Anderson on a 35 yard punt return. The Eagles went on to cool the Blazers, 7-0.

Mitch Wahlman put the Eagles in the air as Edison connected for eight out of nine passes and an overall of 115 yards against Wirt of Gary. The excellent defense halted the Trooper's attack, and Wirt fell to the Eagles 13-6.

With two wins and no losses, Coach Gustafson's gridirons crushed the Indians of Dyer 28-6. Anderson romped 58 yards on the opening play with Ginter and Garzella boosting the Eagles even higher with a TD apiece.

Thorton Fractional handed Edison its first loss of the season 20-0. Battling the heat and unused to afternoon games, the Eagles had their wings clipped by Thorton's powerful team.

The Trojans topped the Eagles 27-7 on their own field. Although the outcome was a feather in the Trojan's helmet, the Eagles demonstrated their resolution by holding Chesterton's DeSarro well beneath his usual par for yardage.

The Eagles bowed to the Calumet Conference Co-Champions, Calumet and Griffith. After four consecutive losses the Eagles turned the tide in the following game with their archrival, River Forest.

Edison blasted the Ingots with a 13-6 loss. The students taunted Coach Bromberg and the Ingots with signs and high spirit, as the "explosive" Eagles scored to the chants of "We want a touchdown now" in the background. The cheerleaders took home the signs, the students took home the spirit, and Ike and the players took home the trophy.

Portage was the highlight of the '63 season, as Edison edged the Indians 19-7 and moved into a three-way tie for second place in the Northern Division of the Calumet Conference. The Eagles' aerial attack employed against the Indians was effective for a total gain of 171 yards and two touchdowns. Eagle captain Ike Halaschak made a TD for Edison, and Don Ginter and Craig Courtney found their way beyond the goal post as the Eagles proved they were not a team to be underrated.

Highland was the concluding game of the '63 season and even the fog could not obscure the impending 21-12 victory. The Eagles' fireworks brightened the misty evening as Don Ginter made the greatest number of tackles against the Trojans and with Wahlman spearheaded the Eagles' victory.

The 1963 season left Edison with a record of six wins and four losses, the best since 1957. Dale Anderson received the outstanding back award, as he racked up the most yardage on the team. "Little" Dale had the ability to swing his hips in the right direction and initiated some mighty big "explosions" with his "heart" football. With good reason the words, "good running halfbacks," echoed throughout the season, but without the Chuck Streetmans to hold that line, their accomplishments would have been almost nil. "Heavy" 220 pound, 6'2" senior Chuck Streetman was elected the most valuable player on the team. Behind Chuck were the outstanding tacklers--Dan Gruett, Mitch Wahlman, Pete Chapas, Phil Garzella, Joel Mock, Jim Fields, and Barry Lackovitch--and Mitch's receivers--Courtney and Garzella. The Calumet Conference honor went to sophomore Craig Courtney, who was elected to be on the first All Conference Team. Junior quarterback Mitch Wahlman made the second team, and honorable mention was received by Chuck Streetman, Dale Anderson, and Ike Halaschak.

The Eagles exploded in '63 to replace a losing image and became a team with which to be reckoned.

Although the Eagles had a rough season this year, they defeated their old rival--Hobart, the Red Devils of Lowell, Dyer, and Highland.

The Eagles played their last season under Coach Gaza, who has resigned his position as head coach. Mr. Gaza has been coaching at Edison since 1951 and has tutored several players who went on to play college ball. He has guided the Eagles through fourteen years of basketball, and the Eagles will always appreciate his efforts.

James Meeks was selected for the Lake County All-Star Team and as the most valuable player on the team and won the Rebound Trophy. Robert Dale Robertson won the Free Throw Trophy. John Borisenko and Robert Dale Robertson were chosen as Co-Captains.

Wrestling Team is currently under the auspices of Coach Manchak, and the Golf Team is coached by Mr. Terry. The Eagles are slowly gaining in these sports and have much potential to be developed in the future.

Edison's Baseball Team is another important branch of the Eagles' sport life. The Eagles are coached by Mr. Hartley, who spent seven years playing professional baseball for Syracuse in the International League and was in spring training with the Phillies in '48. Mr. Hartley has been baseball coach for five years

and holds an excellent conference record of 38 wins and 5 losses. The baseball team has never held a Calumet Conference ranking below third place, and the Eagles were the undefeated Conference Champs in 1962. Edison's performance on the baseball diamond is energetic, excellent, and effective.

The Eagles opened their track season under their new coach, Mr. Bernard Halaschak, who is a graduate of Edison. The Eagles' track potential was evident in the juniors-- Jack Czilli, Daniel Salain, John Serrano,

and the other boys who will be returning for another season in '65. Special mention goes to the remaining members of the track team, who were also contenders for E.S.H.S. and Coach Halaschak.

When a student is graduated, wearing the white ribbon that symbolizes an Honor Society member, he has earned it through diligence not only in his studies, but also in the role he has played in his school, with his teachers, and with his fellow students. A member of this organization is

expected to give to his fullest capacity in order to demonstrate the qualities of scholarship, leadership, character, and service. He sets an example, but even more important, he establishes a purpose in his four years at Edison.

SCHOLARSHIP motivates his learning,  
LEADERSHIP utilizes his learning,  
CHARACTER gives him the ability to lead,  
SERVICE is the end result.

# BAND

The Senior Band, which doubled last year's enrollment, enjoyed many new activities as well as its usual yearly role. The Marching Band presented pregame and halftime shows for the home football games, the Stage Band played at the home basketball games, concerts, and school dances, and the Concert Band performed at four regularly scheduled concerts. Outside activities included the Fourth of July Parade at which time the Senior Band received a "Best of Parade" trophy. Several soloists and ensembles entered the solo and ensemble contest held at Portage High School in February. The "Flying Eagle Band" as named by this year's spectators entered the

state contest in April and was judged to be one of the fastest growing units in the area and much improved over previous years. The Marching Band was honored by an invitation to perform at a pre-game and halftime Valparaiso University football game--this honor being granted only to three other bands. The highlight of the year was the trip sponsored by the Lions Club of East Gary to enter the parade and award presenting ceremony at the annual Lions Club Convention in Evansville, Indiana. Many people, businesses, clubs, and organizations generously contributed \$6,500 for the purchase of new uniforms this year.

## *Pep Club*

Every school, at one time or another, needs an injection of that special item commonly referred to as spirit and at E. S. H. S. the center of spirit is the Pep Club. This year, membership rose to an all-time high with pep club people, led by their president, Karren Neagu, participating in many skits, spirit boosters, and pep

sessions. Whether it was "SUDA" or the school song resounding through the halls, one could be certain that the Pep Club was behind it. Their spirit was contagious and just as a magnet attracts the loose particles gathering them all together, so did the Pep Club attract the rest of the student body through their work, good times, and spirit.

Enthusiasm ran at an all-time high as the girls worked on their annual Christmas project.

Following the election of officers and the campaign for new members, the Sunshine girls collected food, money, and toys for the needy families at Christmas. As a result of the competition between classes, several hundred cans of food were collected in addition to several boxes of toys as well as approximately \$75 in cash. The Sunshine Society helped to make twelve families happier at Christmas.

The spring semester was highlighted by the Sweetheart Dance traditionally held in February. A contribution to the Riley Memorial Hospital Fund was made as the state charity project. The underclassmen entertained the senior Sunshine Members at a breakfast cookout in May.

## *Eagle Feathers*

Through much effort and diligence the Eagle Feathers Staff endeavored to improve this year's publication over those of former years. A bimonthly mimeographed paper was retained, but the appearance of this year's editions was improved by altering the makeup, by planning articles of deeper substance and consequence, by offering suggestions for better student-teacher relations, and by pointing out weaknesses in student

conduct as well as publishing the news.

The members of the staff wish to extend their sincere thanks to Miss Hartley for her support, and each member cooperated faithfully in bringing this year's paper through to completion. A word of appreciation is due to Mrs. Crisman and Mr. Whitby, English Critics, for their suggestions in regard to the use of good English.

## *Edisonian*

The publication of the "Edisonian" is the most time-consuming single extra-curricular project in Edison Senior High. The staff members, organized the preceding year, devoted one hour of every school day as well as work outside of school hours toward the planning of and working on the annual.

This year, new features and changes in standard features have been introduced, in an endeavor to produce the best book possible.

sible.

The staff wishes to thank everyone who has helped to make possible the publication of the annual and is very grateful to the citizens and merchants of East Gary for their generous contributions to the Patron's List and Ad Section, which help to finance the Edisonian. AFTER SCHOOL, FRIDAY, OCTOBER 11

The pre-game Homecoming Parade had more participants than in former years as well as individual enthusiasm was shown besides the class projects. The senior float took the first prize, winning it with the giant iron and the theme, "Scorch 'em." For the first time the Choir sponsored a float, and John Sullivan's "Whale 'em" idea was a surprise to everyone. Once again the sophomore float failed to enter the parade at the last minute.

THE BEST IN EDISON'S HISTORY  
The initiative and enthusiasm shown by the student body captivated the alumni, who returned to take part in the Homecoming festivities. The bonfire, the parade, the floats, the alumni, the student body, and the spirit made Homecoming of '64 the best in Edison's history.

## HALFTIME CEREMONY

The pictures show the fine girls selected as candidates for Edison's 1963 Homecoming Queen. The feelings of these girls can best be expressed by saying they felt honored and excited. The queenship was awarded to Miss Geraldine Kneale, but each of the girls won in the sense that she was chosen to reign as a queen candidate over one of the biggest events of the school year -- HOMEcoming.

KING CHARLES STREETMAN    QUEEN MERRILL LYNN HANMER

The annual Christmas Dance was sponsored by the Choir with Charles Streetman and Merrill Lynn Hanmer reigning as King and Queen. The typical decorations of red, green, and white instilled the mood of Christmas in the minds of the students of ESHS, as they danced to the music of the Eagle Brothers. All too soon, the Canteen

was emptied, bringing Edison's 1963 social calendar to an unwanted end.

The candidates for King and Queen were as follows; seniors--Charles Streetman and Merrill Lynn Hanmer; juniors--Harold Alan Michaels and Mary Ann Constandars; sophomores--Terry Handley and Carolyn Cretton.

the 1990s, the number of people with a diagnosis of schizophrenia has increased in the United Kingdom (Meltzer 1997). The prevalence of schizophrenia in the United Kingdom is estimated to be 1.2% (Meltzer 1997). The prevalence of schizophrenia in the United States is estimated to be 1.1% (Meltzer 1997).

There is a growing awareness of the need to improve the lives of people with schizophrenia. The World Health Organization (WHO) has developed a set of guidelines for the management of schizophrenia (WHO 1993). The guidelines recommend that people with schizophrenia should be treated with a combination of medication and psychosocial interventions. The guidelines also recommend that people with schizophrenia should be treated in a community setting rather than in a hospital.
